

Bible Study Colossians 3:15-4:6

- How can we let the word of Christ richly dwell in us (3:15)? What will this look like when a person does this?
- In verse 16 Paul encourages us to teach and admonish one another with psalms, hymns & songs from the Spirit. What Bible verse or songs do you find encouraging? If you are in a group perhaps take time to share some of these together. If you are on your own perhaps pause to look at your favourite Bible verse or listen to a worship song.
- What guiding principle do we find in verse 17?
- Looking at verses 3:18-4:1. How do the examples that Paul gives help us to live for Christ?

Prayers

In 4:2-4 Paul encourages the Colossians to devote themselves to pray.

Pray for those in your family, house group and at church that God will bless them and provide for any needs.

Paul goes on to ask for prayer for those involved in mission. Pray for those you know involved in mission – Sharon, Jacqui, others you know. Pray too for the mission of Great Ashby Community Church to share the Gospel with our neighbours.

This Week look for ways that you can encourage one another with psalms, hymns & spiritual songs. Listen to see if God wants you to encourage someone in particular.
